

Lake Superior School District Community Education

Community Education:

- ◆ Encourages public use of school facilities, programs and services by every age group in the community.
- ◆ Has an Advisory Council (made up of district residents) that guides and advises the department in development of classes and programs to meet the identified needs of the community.
- ◆ Works with county and regional organizations to promote lifelong learning opportunities by collaborative programming, shared facility use and cooperative grant proposals.
- ◆ Programs serve our population from early childhood through senior citizens. Programs include ECFE (Early Childhood Family Education), Census, Screening, Preschool, KIDS & Co (school-age care), After-School Enrichment, KIDS PLUS (youth development), Recreation and Adult Enrichment.
- ◆ Publishes the "Good News About Our Good Schools" four times a year, Lake Superior School District's brochure containing adult, youth and child classes/ events and Early Childhood through Grade 12 (E-12) news and information.

Our Mission

Lake Superior will provide an educational environment encouraging lifelong learning, self-fulfillment and responsible citizenship.

Welcome to the Lake Superior School District

A Minnesota Leader in Lifetime Education

Lake Superior School District 381 blends a challenging academic environment with an array of athletic, artistic, exploratory and vocational offerings which encourage all students to thrive. Our district

prepares young people to be productive, confident, successful adults, measured according to each individual's abilities, plans and dreams.

Life on the North Shore

Lake Superior School District is Minnesota's second largest school district geographically, encompassing 2,600 square miles of Northeastern Minnesota. The district includes all of Lake County and six townships in St. Louis County. The area is rich in history and natural beauty and it is an outdoor-lovers paradise. Many outdoor activities can be enjoyed year round. From camping and hiking to hockey and skiing, the North Shore offers it all. State Parks, National and State Forests and many four-season trails are located on or near the largest freshwater lake in the world.

People living in the area have access to great health care and educational opportunities. In addition to nearby colleges and universities, Lake Superior School District has an exemplary Community Education Department. There are varieties of events and community activities, as well as countless options for dining and shopping within our district and in nearby Duluth. There is something for everyone and the Lake Superior School District is truly a great place to live and work.

Our Schools

We have three school sites in the Lake Superior School District.

Two Harbors High School: Grades 6 – 12

Two Harbors High School (THHS) is a uniquely designed student and community centered building completed in 2005. The physical design, its educational features and a dedicated staff combine to provide a positive school environment that encourages and supports all learners. A well balanced curriculum offers classes to college-bound students and opportunities for those students interested in industrial technology careers. Student life at THHS is greatly enhanced with a myriad of options in fine arts and athletic programs that are strongly supported by community members.

- ◆ State-of-the-art academic classrooms
- ◆ 700-seat auditorium
- ◆ Three-station gymnasium
- ◆ Media center
- ◆ Swimming pool
- ◆ Three computer labs
- ◆ Athletic complex including:
 - Football/soccer field
 - Six-lane all-weather track
 - Baseball field
 - Two tennis courts
 - Stadium seating for 1,000

Minnehaha Elementary School: Grades PreK – 5

Minnehaha Elementary School in Two Harbors has a dedicated, experienced, hard-working team of educators and support staff. Minnehaha is a newly remodeled building, fully wired for the latest technology. Indoor features include a full-size gymnasium, a spacious cafeteria and a computer lab. Nine of our sixteen classrooms are equipped with the latest interactive presentation equipment, LCD projectors and Airliners, or Smart Boards.

- ◆ Energy-efficient furnaces
- ◆ New windows
- ◆ Air handling system
- ◆ State-of-the-art security system
- ◆ Outstanding PTA
- ◆ New playground
- ◆ Supportive Community
- ◆ Wireless Internet in many classrooms, the library and the cafeteria

William Kelley School: Grades PreK – 12

Located in scenic Silver Bay, William Kelley School is a PreK-12 building that houses both the elementary and high school in separate wings. A focal point of the community, this school benefits greatly by the immense support it receives from local businesses, families and individuals that make up the surrounding communities.

- ◆ Low student-to-teacher ratio
- ◆ Active and supportive community
- ◆ Highly qualified staff
- ◆ Modern computer labs
- ◆ Comprehensive curriculum
- ◆ 36 college credits offered on campus
- ◆ Wide variety of Community Ed. offerings
- ◆ Arts education features unique collaboration with local artists and theatre groups
- ◆ Lighted athletic fields
- ◆ Swimming pool
