

Getting Started on Infinitec

<http://www.myinfinitec.org>

1. Register (when prompted use your district name)
2. Go to your email - open email from Infinitec with password
3. Sign-in to website with emailed password
4. Online Classroom is the area with videos
5. Resource drop down: select category from drop down
6. Play video, take quiz and review quiz results for certificate

MASA Presents: Concerns and Challenges of Mental Health in Education

Presented by Jan Ostrom and Wendy Sienes, Brih Design

There is a consideration that mental illness in children is relatively common. In fact, one in five children and adolescents suffer from mental illness. This video identifies early signs and behaviors that signify mental illness as well as conditions that may contribute to problematic behavior. Intervention considerations including rating scales, environmental arrangements, coping strategies and mindfulness/relaxation skills are presented.

Resource: Behavior, MASA Leadership Presentations, MN Teacher Licensure
Learning Credits: 1.25
Playing Time: 57:32
