

Online Learning Mobile Device Agreement

Students who do not have a personal computing device and/or Internet Connectivity may request to borrow a device from the school district for the duration of the Minnesota State Online Learning Mandate. Please read, agree to and sign the policy for borrowing school-owned devices.

Hotspots:

The Mobile Hotspots will provide filtered mobile internet connectivity through a cellular network when Wi-Fi is not available. Data is limited on the mobile internet devices (Kajeet Devices) so only schoolwork should be done on the hotspots to prevent surpassing daily data capacity limits. The network filtering software will limit usage exclusively to school related materials. The Lake Superior School District Internet Acceptable Use policy will apply to these devices 24/7. Hotspots are configured to use Verizon cellular towers, so in order for the mobile hotspots to work on the cellular network, Verizon service must be present. If cellular service is not sufficient for the hotspots to work, please contact the school to make alternate internet connectivity arrangements. The Internet Hot-Spots will not be functional in the summer months.

Chromebooks:

Each Chromebook is loaded with mobile management software that can disable the Chromebook if it is lost or stolen. Be sure to report any loss, damage or theft immediately to the technology department at school. The school district has full rights to monitor and control all of the sites visited on school-issued Chromebooks and/or Internet Hotspots. The acceptable use policy and student behavior policy both apply 24/7 on school-issued devices. Students must have their school-issued google account and password to log in to the Chromebooks to complete schoolwork.

Damages/Lost Items/Replacements

The devices will remain the property of the school district and will be collected at the end the online learning period (date to be determined). Devices and chargers must be returned in good working condition. Replacement values for the hardware are as follows:

- Chromebooks: \$200, Chromebook Chargers: \$30
- Mobile Hotspots: \$60, Mobile Hotspot Chargers: \$20

Technical Support

For technical support relating to the school issued Chromebooks, Hotspots and software programs, contact:

Online Learning Mobile Device Agreement

- I understand that the Chromebooks and Mobile Internet Hotspots are exclusively for students use. The school-issued hotspots will provide filtered mobile internet connectivity through a cellular network when Wi-Fi is not available. The network filtering software will limit usage exclusively to school related materials. The Lake Superior School District Internet Acceptable Use Policy and Student Behavior Policies will apply to these devices 24/7. Devices that are not returned will be charged the lost or stolen fees as outlined in the contract and the devices will be disabled from further use.
- I understand that it is the responsibility of the student to keep school-owned devices in a safe and secure place. Each Chromebook is loaded with mobile management software that can disable the Chromebook if it is lost or stolen. As the primary user of this device, I will report any loss, damage or theft immediately to the technology department at school. I will return the device to the district within 10 days of being issued a return request. The Lake Superior School District Internet Acceptable Use Policy and Student Behavior Policies will apply to these devices 24/7. Devices that are not returned will be charged the lost or stolen fees as outlined in the contract and the devices will be disabled from further use.

Paperwork must be signed before devices are distributed, so a parent or guardian must be present, or arrangements must be made to complete the agreement paperwork ahead of time.

Borrowed Devices:

_____ Chromebook Serial Number: _____
_____ Mobile Hotspot Serial Number: _____

I have read and agree to all of the above conditions:

Parent Name (Printed): _____

Parent Signature: _____ Date: _____

Student Name (Printed): _____

Student Signature: _____ Date: _____
