

Dear Families,

Starting March 30, 2020, we will be implementing our distance learning model. With this model, we will be providing 'grab & go' style meals to all children 18 and younger to families at eight (8) sites. These sites will be open from **9am – 11am, Monday through Friday**. The locations include:

- Minnehaha Elementary School – Door 2
- Two Harbors High School – Door 1
- William Kelley Schools – Anchor Door
- Claire Nelson Community Center Parking Lot (Finland)
- Green Door Parking Lot (Beaver Bay)
- Hugo's Parking Lot (Brimson)
- Knife River Rec Center Parking Lot (Knife River)
- Duluth Township Hall Lower Parking Lot off Homestead (Duluth Township)

Children must be present to receive a meal; parents are not required to be there. Meals each day will contain food for breakfast, lunch and a snack for each child.

If children have a specific allergy, please notify the staff handing out the food as separate items will be available for those individuals. The meal options are each at the Kitchen Managers discretion – following meal requirements and inventory on hand. Families that lack transportation or have a child that is medically fragile, please contact your local school administrative assistant to sign up for meal delivery.

Please help our kitchen staff plan meal counts for each location by filling out the survey using the following link:

<https://forms.gle/cbZBgny3bUBswPF2A>

This survey is not required for children to receive meals nor does it guarantee any meals for your child. Each location will prepare a set number of meals based on results from this survey and will be a 'first come, first serve' basis.

Thank you for your patience and understanding as we work through this challenge and contact us with any questions.
